Directive and communications- DOMTAR

The email that was sent to members on June 26th in regards to all camping on the club being suspended with no exceptions (including on Route 108) until further notice was a directive given from DOMTAR.

Additionally, all other recreational activities have been put on hold including a méchoui and a club gathering that was tentatively planned for July.

Any and all communications with DOMTAR are to be done by the executive only. If a member wants an issue addressed by DOMTAR, please forward the issue to the executive. Members of the club will be informed of any developments from DOMTAR by the executive of the Association des chasseurs et pêcheurs de Gould.

We thank our members for following these directives.

Club Member Cards / Vehicle Tags

For any members that still need a club card (which should be worn while on the club) or a tag for the vehicle, please inform any of the members of the executive.

Waitlist for the Club:

As mentioned at the General Meeting on March 25th, people who have their name on the wait-list will be asked for a \$100 refundable deposit to hold their spot to become a member of the club. Potential members on the waitlist must also be referred by a member in good standing. Potential members on the waitlist can ask for the deposit back to withdraw their name or can defer their option to join the club and not lose their spot on the list.
