2024 Club work weekends

Many thanks to those of you that showed up at the work weekend in May. We apologize for the short notice for those members that could not make it.

There will be 2 more opportunities for members to give back to the club and earn the \$50 reduction on their membership fees for 2025-26. Additionally, any of the members of the executive can be contacted about putting in work during time(s) other than the dates listed below.

Upcoming club work weekends:

- Saturday, July 20th- meet at the sign-in shack at 9:00 a.m.
- Saturday, August 17th

Club Membership Fees

Membership fees should now be paid in full. Please contact member(s) of the executive for remaining payments. A reminder that an exchange for the new key(s) will not be given to members until payment in full has been received.

Road work and harvesting on the club

DOMTAR has been harvesting trees on the club and doing road work. On occasion, the gates have been left open and unlocked. Members who are visiting the club are asked to leave the gates open and unlocked during these times for the contractors. The executive is in contact with DOMTAR about continuation of the work.

Directive and communications- DOMTAR

The last official communication from DOMTAR was that we cease any and all recreational activities on the club other than hunting and fishing. This includes BBQs, Mechouis as well as shooting tournaments and other gatherings or tournaments. DOMTAR has run into problems with other clubs and regard our contract with them as in good standing. We want to maintain this good standing with them.

Any and all communications with DOMTAR are to be done by the executive only. If a member wants an issue addressed by DOMTAR, please forward the issue to the executive. Members of the club will be informed of any developments from DOMTAR by the executive of the Association des chasseurs et pêcheurs de Gould.

We thank our members for following these directives.
