

Dear members,

The directors of the Association des chasseurs et pêcheurs de Gould (the Club) would like to wish all an enjoyable summer!

As an executive, we look forward to another year on the club and serving the members.

2025 General Meeting

Due to the inclement weather, the 2025 General Meeting was moved from March 29th to Saturday, May 3rd. We had 18 members in attendance at the sign-in shack on the club.

To make note of from the meeting:

Club Membership

As of the meeting on May 3rd, we have room for 10 more members. Please consider family, friends and previous members who you think might be a good fit for our club.

Drive Zones and Tree stand/Mirador locations

The drive zones that were implemented last year on the club for the rifle deer season will continue this fall.

A more detailed map will be shared with members and the map in the sign-in shack will be updated to outline these zones. Additionally, members will have access to an app, 'Huntstand' that outlines the zones and the different tree stand locations on the club. We anticipate that this will have positive effects for all club members.

DOMTAR

DOMTAR continues to be working and cutting on the club and will do so for the summer and possibly into the 2025 hunting season. We will keep you posted on updates with regards to their presence on the club.
